# About AoGrand

---

Established in Nanjing in 1992, AoGrand Group is the China's leading consumer products manufacturer for more than 20 years. Located in Nanjing, the capital of ten dynasties in Chinese history, facing the vast East China Sea, we have a great vision and aspirations. Based on the effort of all of our staffs, and thanks to the loyal retailers and consumers, AoGrand gained a rapid development in the past decades. After 28 years' growth, the company now owns a daily use chemical factory that covers over 700,000m<sup>2</sup> head-quarters including mosquito coils factory, aerosols factory, soaps factory, detergent factory, household paper products factory, and holds a washing powder detergent factory and a baby diaper factory. Total Employees: 7000 employees.

...

# Factory Capacity

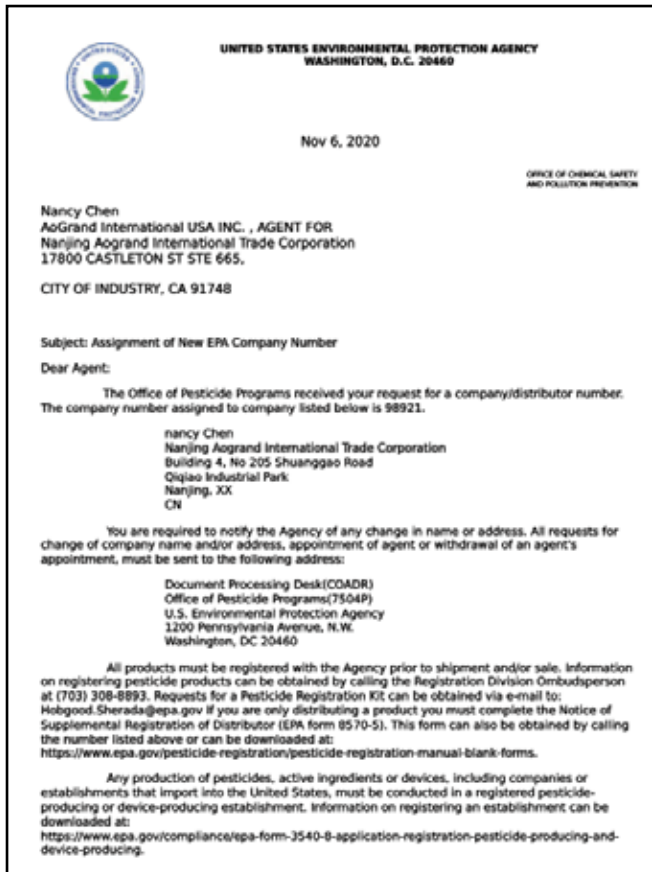

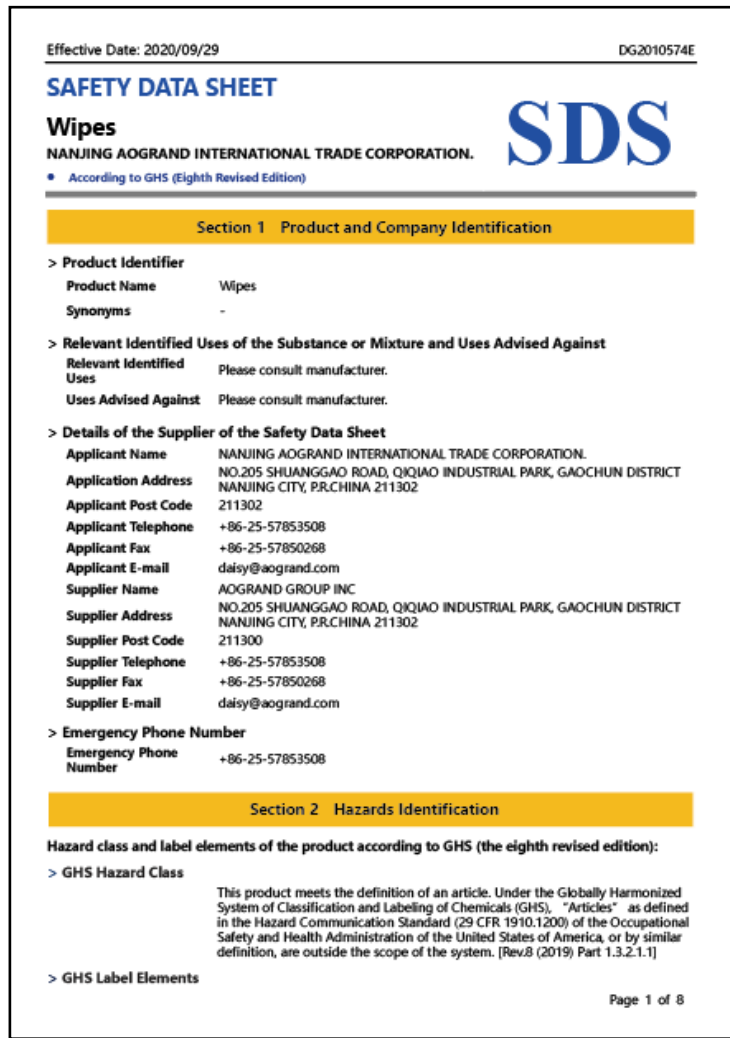

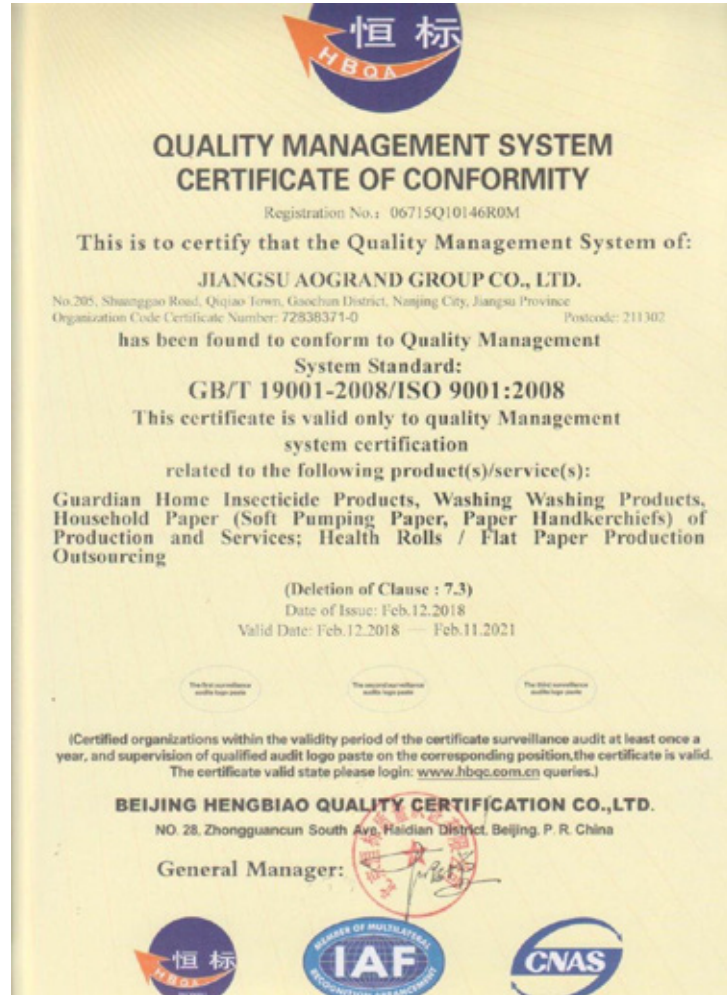

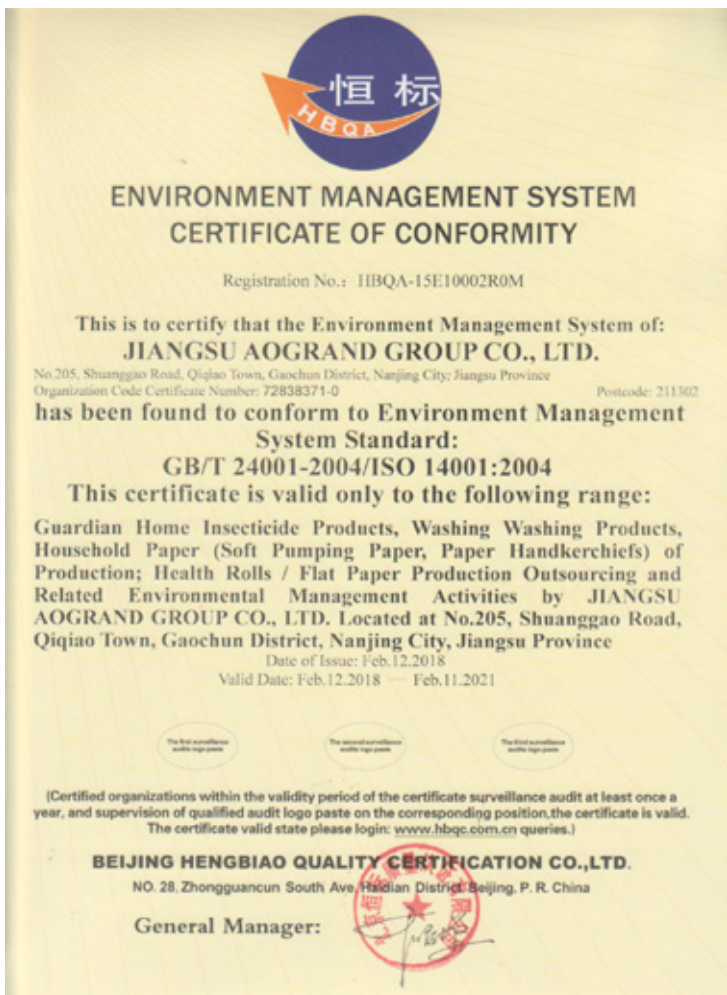

---

Professional automated production equipment, production capacity is 50 million cans/year.

# International Certification

Antibacterial series manufacturing, FDA certificate.

# Quality Management Center

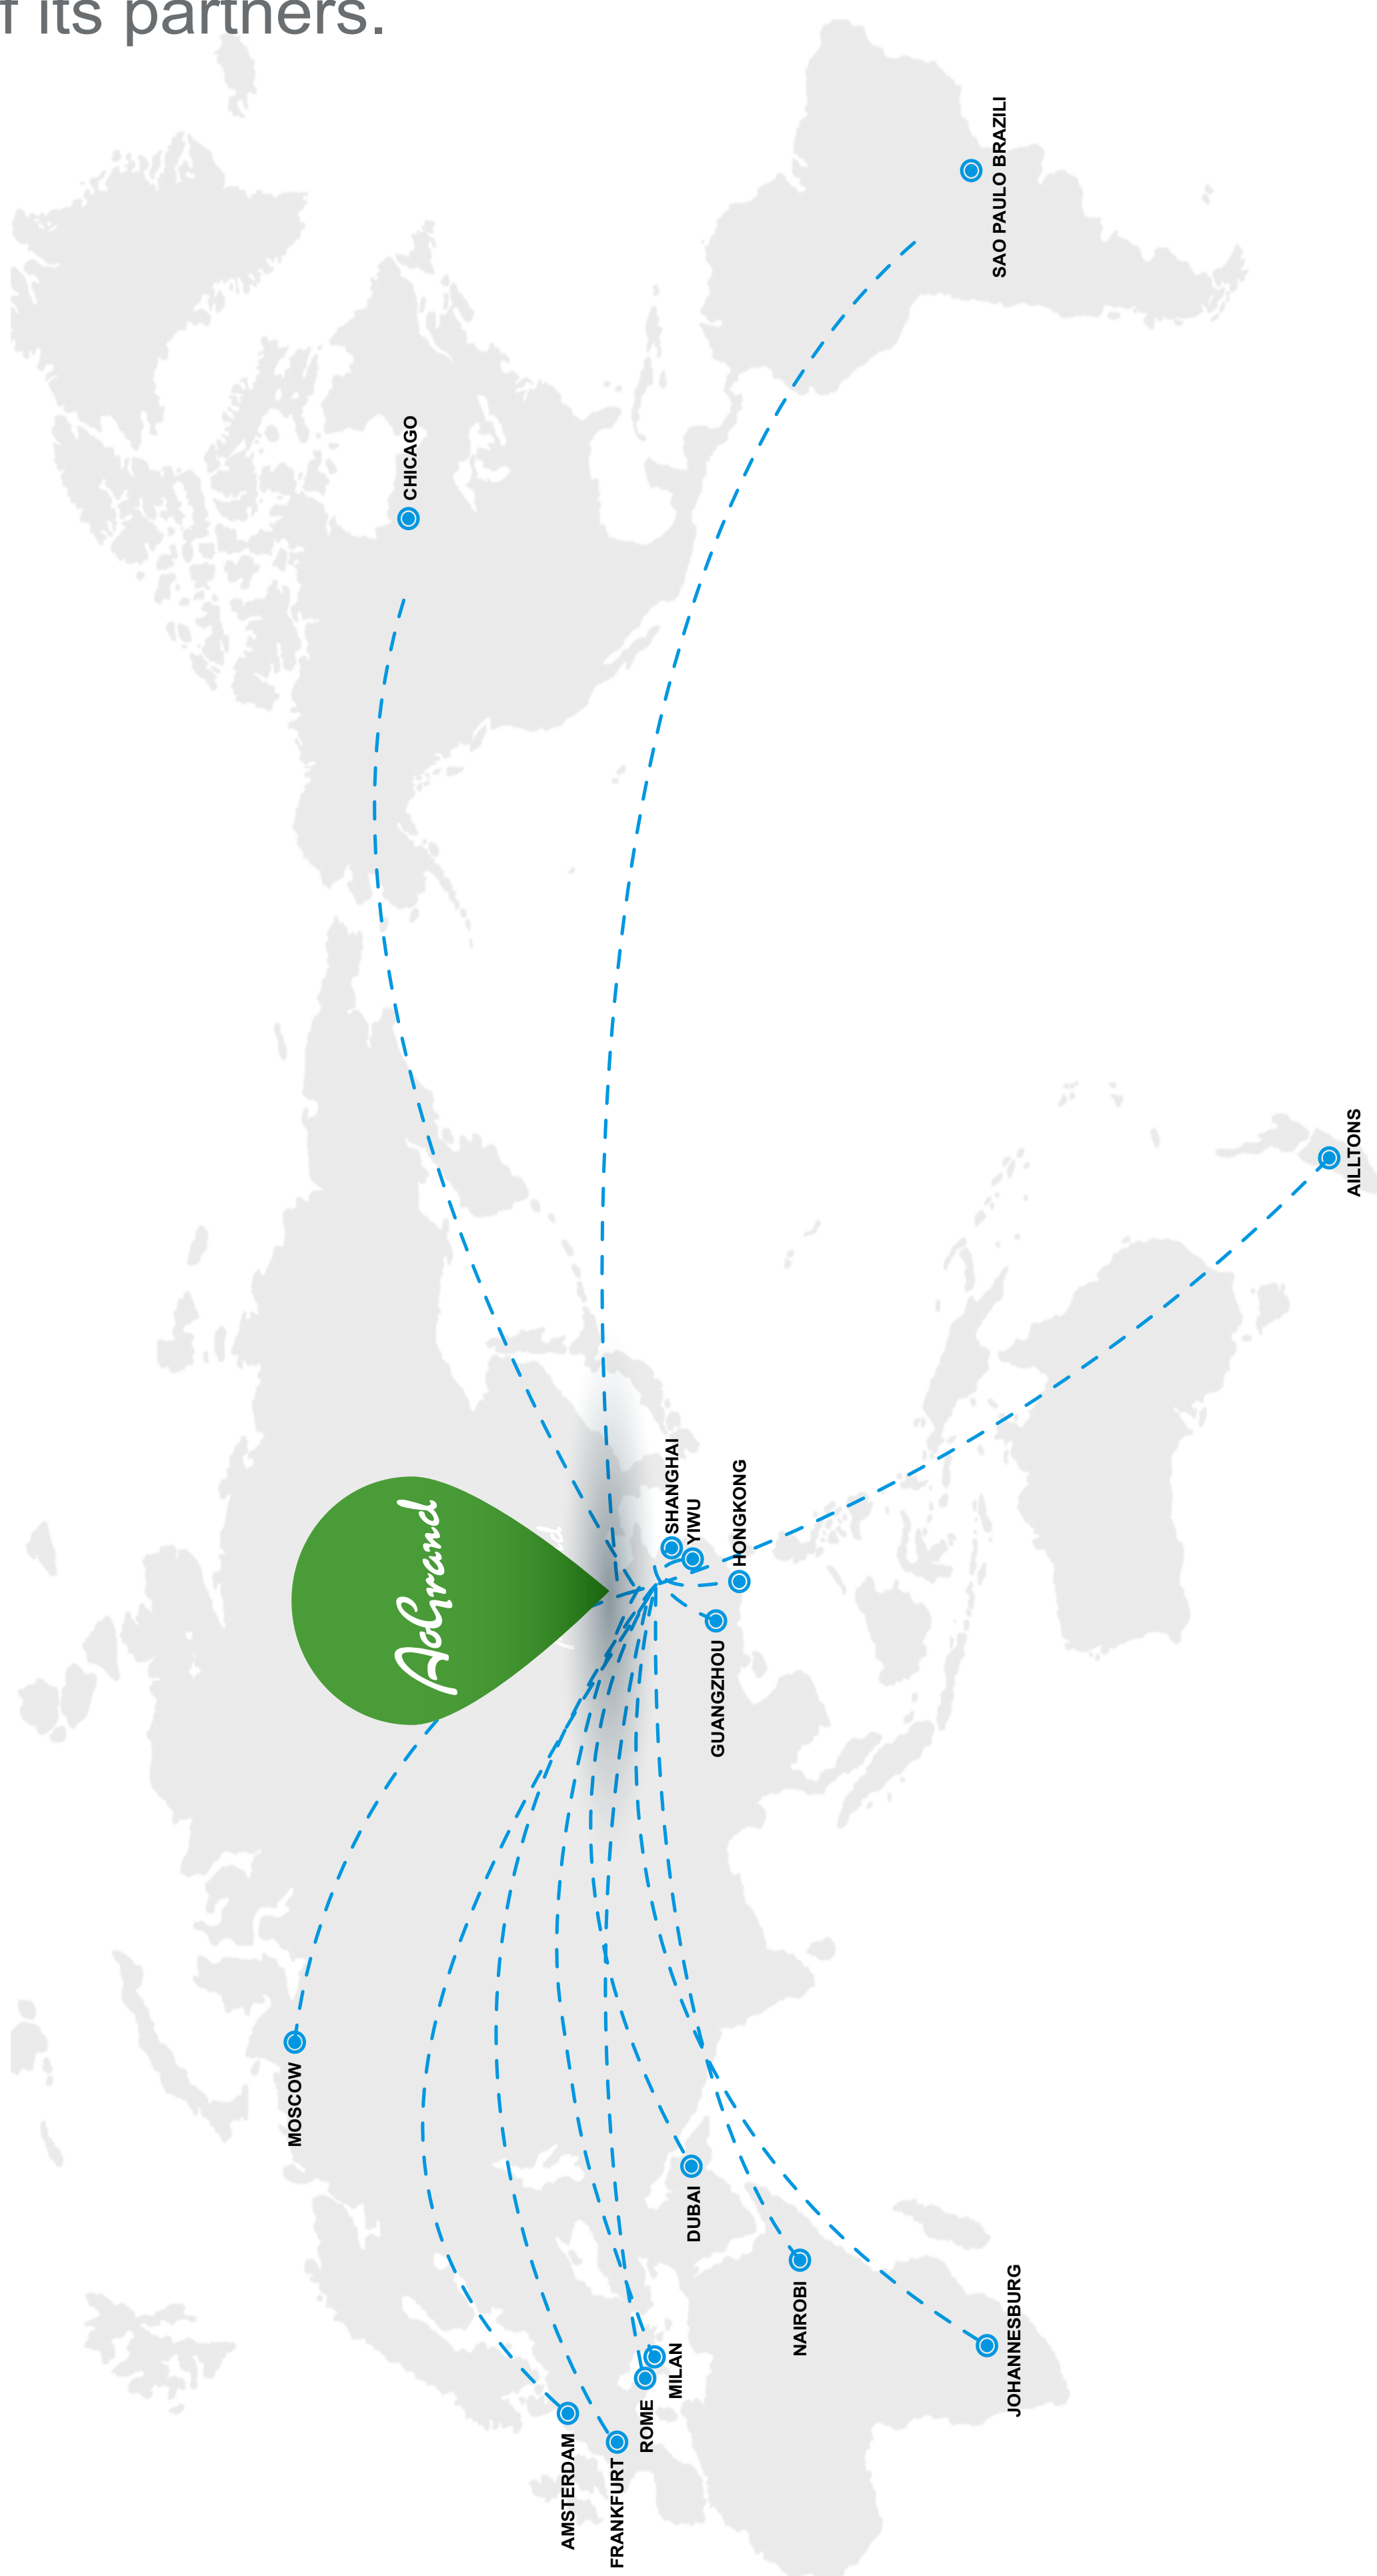

---

After years of development, AoGrand Group formed a high-quality Research and Development Department with hundreds of professionals working on creating the best household products and providing professional services. The second-phase headquarters are expected to be finished by September this year with 322 917 square feet workshops. Two more research laboratories have been put into use in Guangzhou and Nanjing separately by the end of last year. With advanced technology and equipment, the company built up the fully automated assembly line from manufacturing to distribution to control the producing process and maintain the high product quality. The products from the company have passed ISO9001, ISO14001 and OHSAS18001 (the three major international quality management systems) , and obtained CE approvals, SDS along with other international standard system certifications.

# Global Sales Network

AoGrand operates in over 150 countries and seeks cooperation opportunities from all over the world to achieve mutual benefits with all of its partners.

# Professional Team

---

Over the past 28 years, AoGrand Group has not only owned many honorary titles such as "China Top 100 Enterprises in the Consumer Industry", "Jiangsu Certified Enterprise Technology Center", "China AAA Quality Credit Company", but also built the company reputation of "credibility with honesty, reputation with quality" in the rapid development. The company applied the Corporate Brand Identity Matrix (CBIM) to identify the products, target groups and market places as well as fill in the gap between current brand identities and ideal brand identities. AoGrand operates in over 150 countries, covering more than 80% of the world's major market, and maintain the global leadership in hand sanitizers.
