About AoGrand

Since 2000, at the beginning of the new century(2000), AoGrand Group founded Jiangsu AoGrand Group Inc. Located in Nanjing, the capital of ten dynasties in Chinese history, facing the vast East China Sea, we have great vision and aspirations. Based on the effort of all our staffs, and thanks to the loyal retailers and consumers, AoGrand gained a rapid development in the past decade. After 18 years' growth, the company now owns a daily use chemical factory that covers over 70,000m² head-quarters including mosquito coils factory, aerosols factory, soaps factory, detergent factory, household paper products factory, and holds a washing powder detergent factory and a baby diaper factory. Total Employees: 700 employees.

QUALITY MANAGEMENT CENTER

After years of development, AoGrand Group formed a high-quality Research and Development Department with hundreds of professionals working on creating the best household products and providing professional services. The second-phase headquarters are expected to be finished by September next year with 322 917 square feet workshops. Two more research laboratories will be put into use in Guangzhou and Nanjing separately by the end of this year. With advanced technology and equipment, the company built up the fully automated assembly line from manufacturing to distribution to control the producing process and maintain the high product quality. The products from the company have passed ISO9001, ISO14001 and OHSAS18001 (the three major international quality management systems) , and obtained CE approvals, SDS along with other international standard system certifications.
